

MeDiFiT Pro

Zero Gravity

Full Body Shiatsu Massage Chair

A36 SMART

Welcome to VComfort

Thank you and congratulations on purchasing a VComfort Massage Chair - you've made a great choice.

With half a decade of experience designing, building and servicing massage chairs, VComfort takes pride in every chair sold, including yours. We are here for you. The UK based Customer Care team can be reached at 0333 577 9597 or visit us online at www.vcomfort.co.uk.

Inside this manual, you will find everything you need to setup and safely enjoy your chair. Please review the entire manual before using your chair.

Get ready to sit back, relax and enjoy the exceptional Massage Experience.

Limited Warranty

We're confident that your new massage chair will provide you with many years of relaxation and trouble-free performance.

VComfort supply quality massage chairs that are built to last; your massage chair comes with a 1 year manufacturer's warranty for home use as standard to protect against manufacturing faults and defects that occur during this warranty period.

Warranty Limitations and Exclusions

Warranties do not cover any loss or damage resulting from: improper installation; unauthorized repairs; use in a commercial or corporate setting; alterations or modifications of original condition; improper use of electrical/power supply; loss of power; electrical disturbances and power surges; dropped product, including but not limited to remote controls; a malfunction or damage resulting from improper use or unreasonable use or maintenance; failure to follow operating instructions; transportation damage; theft; abuse; misuse; neglect; vandalism; or environmental conditions (fire, floods, rust, corrosion, sand, dirt, windstorm, hail, earthquake, or exposure to weather conditions); loss of use during the period the product is at a repair facility or otherwise awaiting parts or repair; and products purchased or acquired from unauthorized dealers. This warranty is not transferrable. Damage incurred due to shipping and handling does not constitute a defect under this warranty.

Warranty Registration (Home Use)

Register your product at www.vcomfort.co.uk/standard-warranty to ensure it is in our system. This will simplify the warranty process should you ever need it. Alternatively, scan the QR code to go directly to the URL above.

Warranty Registration (Commercial Use)

Our warranty for commercial use is 12 months.
Register your product at www.vcomfort.co.uk/commercial-warranty

We know you can't wait to sit in your new VComfort Massage chair! Take a picture of yourself enjoying the exceptional massage experience and make sure to tag us on social media with the hashtag [#vcomfortmassagechairs](https://www.instagram.com/vcomfortmassagechairs)

▶ IMPORTANT SAFETY INSTRUCTIONS

Read all instructions before using (this appliance).

DANGER - To reduce the risk of electric shock:

1) Always unplug this appliance from the electrical outlet immediately after using and before cleaning.

WARNING - To reduce the risk of burns, fire, electric shock, or injury to persons: 1) An appliance should never be left unattended when plugged in. Unplug from outlet when not in use, and before putting on or taking off parts.

2) Do not operate under a blanket or pillow. Excessive heating can occur and cause fire, electric shock, or injury to persons.

3) Close supervision is necessary when this appliance is used by, on, or near children, invalids, or disabled persons.

4) Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.

5) Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return the appliance to a service center for examination and repair.

6) Do not carry this appliance by supply cord or use cord as a handle.

7) Keep the cord away from heated surfaces.

8) Never operate the appliance with the air openings blocked. Keep the air openings free of lint, hair, and the like.

9) Never drop or insert any object into any opening.

10) Do not use outdoors.

11) Do not operate where aerosol (spray) products are being used or where oxygen is being administered.

12) To disconnect, turn all controls to the off position, then remove the plug from the outlet. 13) Do not use a massager in close proximity to loose clothing or jewelry.

14) Keep long hair away from massager while in use.

15) Use heated surfaces carefully. May cause serious burns. Do not use over insensitive skin areas or in the presence of poor circulation. The unattended use of heat by children or incapacitated persons may be dangerous.

SAVE THESE INSTRUCTIONS

For use household only

Thank you for purchasing this product.

Please read this user manual carefully before using to ensure proper installation and operation.

Please keep this USER MANUAL properly for future reference.

▶ PRELIMINARY CHECKS

Position & Placement for Installation

Clearance space for the massage chair:

- ▶ Ensure there is an adequate clearance for the installation: It needs 22cm clearance for the reclining of the backrest; It needs 20cm clearance space for the extension of footrest and sliding forward of the chair.
- ▶ Keep it 1 meter away from the TV, radio or other audio/video appliance to avoid signal interference.

▶ PRELIMINARY CHECKS

Floor Protection

- ▶ We recommend to place a piece of carpet or soft mat underneath it to avoid damaging the floor.

Surrounding Environment

Do not use the massage chair in high moisture environment such as near swimming pool or bathroom to prevent electric shock accident.

Please keep the massage chair away from heated surfaces to prevent fire hazard or damage to the product.

Grounding

This product must be grounded, the plug must be plugged into an appropriate 3-wire grounded outlet that is properly installed and grounded in accordance with all local codes and ordinances to reduce risk of electrical shock.

▶ PRELIMINARY CHECKS

Installation Method

Step 1, Take all massage chair units out of the cartons.

- ▶ Unpack the cartons and take all sewing and other accessories out of the cartons.
- ▶ Before beginning installation, please verify that all components are included (check with the packing list carefully).

Step 2. Flip down the leg unit

- ▶ Flip down the leg unit; then zip up the back cushion and leg covers.

- ▶ Connect the power cable to the product power connector port located at the power box of the product (Check the illustration below).

PRELIMINARY CHECKS

Moving the Massage Chair

- ▶ Roll the chair on its casters to the desired location.
- ▶ Incline the backrest to upright position.
- ▶ Turn off the power switch and unplug the appliance from the electrical outlet.
- ▶ Using two people, push down on the backrest and lift up on the front side by grabbing the moving Holder located to the front bottom of the armrest), roll the chair on its casters to the desired location (check the sketch for reference).

CAUTION

- ▶ Do not move the chair when there is user inside.
- ▶ To carry this product, do not lift by the footrest or armrest, hold the chassis and steady the backrest (have 4 or more people to carry the product).

Connecting to Power

- ▶ Connect this appliance to a 3-wire properly grounded outlet.
- ▶ Turn on the main power switch by the right hand side of the massage chair.

CAUTION

- ▶ Please verify that there is no damage to the supply cord before switching on the massage chair.
- ▶ Please verify that the main power switch is turned off before connecting to power.

CARE AND MAINTENANCE

Commissioning

- ▶ Use the controller to recline the backrest to its lowest position, raise and extend the footrest to its top position, make sure there is enough clearance before commissioning.
- ▶ Return the backrest and footrest back to its default position after commissioning and turn off the power switch.
- ▶ To choose the massage program, please check the Controller Instructions for reference

Before Sitting in the Chair

- ▶ Ensure the footrest is well assembled before sitting on the massage chair.
- ▶ Ensure the massage chair is returned to its original position before sitting on it. If there is any part not in default position, please turn on the massage chair to allow it to restore.

CAUTION

- ▶ Do not take seat while the legrest is lifted.
- ▶ Do not put excessive load on the legrest to avoid damage.

WARNING

- ▶ Do not play on the massage chair or operate it improperly.
- ▶ Ensure there is no obstruction when raising or reclining the backrest and footrest.
- ▶ Do not put foot, fingers or any other objects in the openings of the chair when it is in the reclining, raising or restoring motion.
- ▶ Ensure that massage chair is restored back to its original position before getting off the massage chair.

After Use

- ▶ Always unplug the massage chair from the electrical outlet immediately after use.
- ▶ Turn off the power switch and unplug the massage chair from the electrical outlet while not in use to avoid children power on the massage chair accidentally.
- ▶ When not in use for a long period of time, we recommend that the chair be covered, the power cord be coiled and that the unit be placed in an environment free of dust and moisture.

PRODUCT CARE AND STORAGE

Care Instructions

- ▶ To treat stains on back panel, armrest, footrest, plastic parts or air hose, spot clean with mild detergent foam, then wipe it with a dry cleaning cloth.
- ▶ To treat stains on controller, power box, spot clean with a dry cleaning cloth.
- ▶ To treat stains on back cushion or pillows, use a water-based upholstery cleaner only, wipe it with moist cloth, then air dry.
- ▶ To clean the foot/calf unit covers, remove it from the chair, hand wash with a mild detergent, then line dry.

WARNING

- ▶ Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- ▶ Pull out the power cord from the power strips before care and maintenance.
- ▶ To avoid electrical shock or injury, do not touch the power cord with wet hands.
- ▶ Make sure no detergent enter into the power box while cleaning.
- ▶ Do not use benzene, thinner or other solvents on your product, it may cause fading or damage to the product.
- ▶ Do not iron the upholstery.

Storage Methods

- ▶ Cover the product with a dust-free cloth to prevent collection of dust if not in use of a long period of time.

CAUTION

- ▶ Do not leave this product exposed to direct sunlight for long periods of time. This may cause fading or damage.

Warm Tips

- ▶ During daily use, please check for the following symptoms:
- ▶ Burnt smell.
- ▶ Power flickers on and off when touching the charging cable.
- ▶ The power cord is hot.
- ▶ Other abnormal symptoms.

CAUTION

- ▶ Please stop using the product to avoid breakdowns or accidents if any above symptom exists.
- ▶ Switch off the power button and disconnect the plug, contact the local distributors or supplier for repair.
- ▶ All other servicing except above care and maintenance should be serviced by an authorized dealer or service center.

WARNING

Pull out the power cord from the power strips before care and maintenance. To avoid electrical shock or injury, do not touch the power cord with wet hands. Do not try to dismantle or repair the product yourself, please send your massage chair to the authorized service center.

TROUBLESHOOTING

| No. | Symptoms | Possible Causes | Possible Solutions |
|-----|---|--|--|
| 1 | Noise is heard while in use | This sound is normal and comes from the air pump motor or other mechanical parts rubbing against the cloth cover | No need to take any measures |
| 2 | Appliance does not start | The power cord is not secured into the socket | Insert the power plug properly into the power socket |
| | | Power switch is off | Turn on the switch |
| | | The fuse is blown | Replace only with a fuse of same type and rating |
| 3 | No music comes from the speaker | The volume is turned to the lowest | Adjust the speaker volume from the mobile devices |
| | | Bluetooth is off | Switch on Bluetooth |
| | | Bluetooth connected with other device | Reconnect Bluetooth |
| 4 | Backrest or footrest can not raise or recline | Excessive load has been pressed on the backrest or legrest | Reduce the load and try again |
| 5 | Airbag malfunction | The air hose is blocked | Straighten the air hose and clear out the blockage |
| 6 | During the massage, both arms are simultaneously held by the airbags. | Massage technique | No need to take any measures |

If problem remains, please contact the dealer for maintenance.

Important: Do not attempt to repair this product yourself, our company shall not be liable for the injury or damage caused by any servicing without authorization.
